**PETITIONS OFFICE**

Dear Sir:

Attached are copies of a 1.) Petition to Revive an Inadvertently Abandoned Application, 2.) its supporting documents, and 3.) a return receipt postcard showing that the Petition was filed in February 2003. Applicant requests that the file be located and the Petition be considered, either on the basis of the attached copy or on the copy as filed.

On August 29, 2003, the undersigned attorney called Group 3673 and asked the status of the application and the Petition to revive after finding that the PAIR system identified it as still having an "abandoned" status. A call to the Petitions Office yielded a similar answer. Personnel in the Petitions Office asked that the attached material be submitted by facsimile so that the Petition could be considered. Applicant is doing so.

Should there be any questions, please call the undersigned.

Docket No.: 543572000100

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicants petition for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 543572000100. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
